Our 2005 Picnic

The day was sunny, warm and bright,
A time for a picnic seemed just right.

Lou said twelve, Dick said two,
What was a hungry member to do?

So I left early along with my son,
To get together and have some fun.

Hors-Dourves were out, chips and cheeses,
I relaxed with coffee in shade and breezes.

Soon others came with food dishes and cakes,
And all the things a good time takes.

I wondered how long that good food would last,
Those burgers and hot dogs sure did go fast.

Some went for seconds they didn't hesitate,
I didn't go; I piled up the first plate!

A birthday cake for John and Gene,
Time marches on you know what I mean.

The food was great with drinks to sip,
I'm sure all enjoyed the great fellowship.

Monster truck and Peterbuilt — were the big boys,
Made the model A's look like small model toys.

Some saw the workshops, oh what a place,
Home Depot has nothing, if placed face to face.

One car wouldn't start, oh what to do,
Take out the portable charger, nothing new, Lou.

A picture was taken from up on the roof
To record all that attended, that is real proof

Tables were folded, chairs put in places,
A good time was had shown by smiles on their faces.

Thanks to Lou, Dick and Barbara, to name a few,
I'm looking forward to next year,

How about you?

Secretary's Report

I am looking for pictures and articles for the newsletter. As the summer season winds down, the opportunity for taking pictures also dies off. Any interesting pictures of cars, parts, or events are welcome.

Parades and Shows

Larry won a trophy at Westfield. Barb and I went to the Columbus Day Parade in E. Hanover. Tom and Debbie went to the New England Meet. On the tour, he got to try a panic stop in their sedan when someone ran a red light. It may not have stopped straight, but it did stop OK.

Old Business

Bill will check with Lou to see if anything was done regarding a Holiday party.

Technical

Gene mentioned that he looked at John Bedner's car to see why it would not run for more than a few seconds. After finding no gas coming out of the fuel line,
