## Water we gonna pump with this?

### Minutes of the meeting

Tom Petersen discussed some of the things to look for when rebuilding the water pump for your Model "A"s. These suggestions should make the pump last longer and leak less! After a break for refreshments, Lou opened the 312<sup>th</sup> meeting at 9:08pm.

### Treasurer's Report

Larry reported the ending balance of the treasury at \$2162.06.

### Secretary's Report

With spring show time close at hand, many of you will be taking your cars to different parades and shows. When you are there, please take photos of your cars as well as any other interesting vehicles you see. Send me the pictures (I will scan and return them) or digital files and I will put them into the newsletter. The variety of articles and pictures in the newsletter are only as good as the information you give me.

### Club Welfare

Lou mentioned the passing of his good friend Joe Cuva. A moment of silence was observed in his honor.

### Old Business

Lou is still!!! waiting to find out what the nursing home would like as a gift this year. As soon as he finds out, he will go and get whatever it is.

### Technical

Winter storage of your antique cars was discussed and it was recommended that you keep the fuel tank full when setting over the winter. Make sure you have the screen filter on the inlet of the '29 and '30 fuel shut off valves. Bill explained how he changed the inner tube in one of his tires without taking the wheel off of the car.

### Programs:

**May:** George Shoremount      **August:** Ed Becker  
**June:** Dave Zuckerman      **September:** John Bedner  
**July:** Tom Arnold      **October:** Dick Bettle

**The member giving the presentation is responsible for bringing the refreshments.**
