While traveling in Florida for vacation in May, I stopped at a friends house. Bill Brown invited me in to his "Museum" and let me take some pictures of the cars he has in it. I thought you might enjoy seeing his collection. The '36 Auburn actually belong to his friend Murray from Canada. Bill sort of keeps it so Murray can use it when he come south for the winter
John Bedner's trick using dish detergent in the fuel tanks worked on Bill's '29 as well.
